Packaged foods, Fresh foods, Protein, Alcohol

INDUSTRY BROCHURE

Packaging That Protects, Promotes, and Performs — From Production to Promotion

Let SWPS manage your packaging supply chain so you can focus on what matters most — producing and delivering great food and beverages

- Rely on an experienced partner for primary, secondary, and tertiary food packaging designed for safety, compliance, and brand impact.
- Customize for retailer demand and seasonal promotions with our kitting and co-packing capabilities that flex with your production schedule.
- Streamline your packaging line with fully and semi-automated equipment solutions, maximizing throughput and efficiency.

Key products
